Ce>Welcome

We would like to welcome you to Thomas Hall, an exclusive new event venue for weddings and events in the Charleston lowcountry.

The property is rooted in deep history and dates back to the 1770's and was originally an impressive 3,000 acres. The ruins of the original home and the avenue of oaks can be seen just prior to Thomas Hall's entrance. The working plantation cultivated rice and indigo just west of the property. This particular piece was owned by the Bulow family for more than 75 years. Development on this tract began in 2012 and includes a skeet range, pond, pavilion, and house which was completed in August 2014.

Our goal is to offer a beautiful location that is convenient to Charleston that provides accessory items to give each client a unique experience. We utilize only licensed professionals and offer an exclusive booking experience.

We thank you for joining us today and look forward to many successful event partnerships in the future!

Best,
Bill and Coy Thomas
